This journal accepts papers in the areas of universal algebra and lattice theory, as well as papers inspired by or having applications to these areas. The Mailbox contains short communications of interest to specialists in these areas. Papers for publication should be sent in triplicate directly to: Executive Editor, Algebra Universalis, Department of Mathematics, University of Manitoba, Winnipeg, Manitoba R3T 2N2, Canada. The author should indicate which member of the Editorial Board he wishes to handle the paper.

Subscription information

This journal appears in 2 volumes of 3 issues per year (bi-monthly).

Annual subscription: sFr. 298.–, DM 344.–,

approx. US\$ 144.00 postage included.

Single issue: sFr. 55.–, DM 63.–, approx. US\$ 26.00 postage not included.

Subscription orders should be placed with Birkhäuser Verlag, P.O. Box 133, CH-4010 Basel/Switzerland, or through your bookseller or subscription agency.

Claims for undelivered issues must be made promptly – at the very latest, immediately following receipt of the issue succeeding the missing number. Annual subscriptions cannot be cancelled before the fixed date of expiration. Cancellations of standing orders must be effected 2 months before the end of the publishing year.
